"Mommy & Me" - U3 (\$50)

This is a first step for our youngest players to become comfortable with the ball at their feet. "Mommy" (or Daddy) is on the field with the little ones as we play fun and interactive games during each session run by our professional trainers. The focus here is FUN, FUN, FUN!!

"Tots" - U4/U5 (\$60)

Weekly training sessions with our professional trainers will build new skills and confidence with the ball while playing fun and goofy games to keep the kids smiling. Building a foundation of the basics is the focus here! Each week the players will also play in 3v3 games.

"Minis" - U6/U7 (\$60)

Weekly training sessions with our professional trainers will introduce basic moves in order to enable players to effectively move towards the goal and score! Weekly 3v3 and 4v4 games with other BCSA groups as well as programs from other local towns will add to the experience and excitement.

"Juniors" - U8/U9 (\$60)

Weekly training sessions with our professional trainers will expand on the basic moves and introduce team-play concepts to help players to begin to work together. Weekly 4v4 league games with programs from other local towns will add to the experience and excitement.
