

Saint Paul Gardening Club Permission Slip

The Saint Paul Gardening Club will be open to 2nd - 8th grade students. First grade students this year may join since they will be entering 2nd grade in the fall. The pre-k through 1st grade students will integrate gardening time and learning into the school day so that all the kids are involved. We will meet every Thursday and every other Tuesday from 3:15 - 4:15 pm. Following our first meeting on 5/17, students will come home with a list of dates for the remainder of this year. Families whose children participate in the club will be asked to help maintain the garden over the summer. We are excited to help foster a love of gardening and an appreciation of how our food is grown in our Saint Paul Strong Students! **Students should bring gardening clothes and gloves for all meetings.**

We are *deeply* thankful to the Travia family! They took an idea and ran with it, and it is thanks to them that Home Depot is donating the materials to build our beds, building our beds, and donating the plants to kick off our garden.

Please save the top of this form. Fill out the bottom and return to school by May 16, 2018.

_____ will be participating in the gardening club.
(Student Name)

Student Grade _____

Parent/Guardian Name(s) _____

Email Address _____
